

Fundraising packets will be distributed this week!

We are happy to be selling items from the Better Together (Joe Corbi/Claire's Gourmet) brochure.

Here are the steps to get started towards success!

Get organized: Look at the instructional letter that is in your seller packet. This will show the end dates and delivery date for your fundraiser.

This fundraiser is to help with Tournament Fees!

All orders need to be submitted online. You must follow the instructions below to create a pop up shop.

Create a goal of how many items you want to sell. For fun, watch your Leader Board and see who can sell the most.

Create your sellers online Pop-up Shop: Before you click a link or fill in information, gather email addresses of at least 10 friends and family that you want to talk about the fundraiser. You will get a reward and we will contact them for you. Just put in their contact information and we will do the work for you!

You can also share the information via text message.

After gathering the info, click this link and follow the prompts to create your seller's individual code for a Pop-up shop. Your Organization ID is **20500**.

You will receive a confirmation email that will have your Pop-up Shop's login information. This is a great way to keep track of the online sales under your seller.

Take your Fundraiser to work, church or clubs: Attached is a flyer to print and post to help your seller. This will help your online sales that are prepaid.

You need to write in your seller's Participant Code and the end date for your fundraiser.

Shop online to help support: Better Together has great frozen items that your family will enjoy. Shop here for yourself and support your seller:

Keep track of your seller's progress: Your sellers' goal is based on how many items they sell. Keep track of their progress throughout the fundraiser. You will also be able to see what place they are in for online sales within your group.
